### MOVIN' ON UP

\* **Mutsy's Growup! Booster** features a five-point safety harness (a rare find in a booster) to keep your tot firmly in his spot. And how can you resist those beautiful lines? (\$60; [diapers.com](http://diapers.com))

\* **Safety 1st's Comfy Cushy Baby Seat** isn't just a booster that attaches to your kitchen chair. It works anywhere you need a safe place for your tot to sit. (\$30; [babydepot.com](http://babydepot.com))

\* The **Keekaroo Cafe Booster** was designed to survive the messiest of eaters. It's waterproof and tear-resistant, not to mention cushiony soft. (\$60; [sears.com](http://sears.com))
