Bright Starts InGenuity Perfect Place High Chair \$100
For use from 4 months to 50 pounds

"This chair's removable, dishwasher-safe tray swings open with one hand, so I can easily load baby in or lift her out then lock the tray back into place."

Take a seat

From classic to cutting-edge, these baby-tested, parent-approved highchairs make mealtime an enjoyable affair.

Sturdy find

Keekaroo Height Right from \$150
For use from 6 months to adulthood (up to 250 pounds)
"What's not to love? The Height Right can be used forever (its seat and footplate are both fully adjustable), it's made by an eco-friendly company, and it's affordable."

Groovy catch

Chico Polly Magic \$180
For use up to 37 pounds
"Not only does the highchair look great, it has every feature imaginable. From the snap-on tray to the fold-away armrests, it will definitely take baby through the toddler years."

Classy choice

Peg-Pérego Prima Pappa Best \$230
For use up to 45 pounds
"This chair is sophisticated and luxurious, but also functional and versatile. The reclining, height-adjustable seat accommodates a family's ever changing needs."
